ACT Monthly

February 2, 2026

January Community ACTions

This past month, we celebrated our first year of incorporation. At our quarterly meeting held at Hoss's in Gettysburg, we reflected on our accomplishments. This past year we raised \$8,963.45 in donations, allowing us to provide \$5,051.00 in discounts in the five months we were in operation in 2025. We also filled four board member positions, making our board now full. You can meet our board members below.

Word is spreading about our great service! We officially hit 300 Facebook followers at the end of January. Lori has been working hard on our website, which should be up and running by the end of this month.

We are working hard behind the scenes to get our fundraisers ready for this year. Interested in volunteering? Reach out to Brittany via the email above to get a spot on our fundraising committee.

Our driving crew has a new addition! Sharon officially started at the beginning of 2026, so we currently have three drivers on our team. Founder Anji and her husband Ed currently do most of the driving, but you'll be seeing more of Sharon as we grow. Several of our board members also volunteer to drive on an as-needed basis. All of our drivers are certified in CPR/first aid, PASS (Passenger Assistance, Safety & Sensitivity) and defensive driving.

If you are interested in giving back to your community, we are looking to add a few volunteer drivers to our crew. You can apply online on our [app](#) and soon on our website.

ACT by the Numbers in January

- ★ 105 individual transports
- ★ 13 new clients
- ★ 25 different destinations
- ★ \$1487 in discounts and free transports

ACT-ers Say: "I sold my car because I have a serious health problem, and I don't want to pass out and hurt someone else while driving. I was depressed about losing my independence for about two days, but I realized I now have ACT to help get me to my therapy and medical appointments. I'm not depressed anymore!"

-Alda G.

Meet our Board!

Angela Lehigh
(Founder & President)

Steve McDaniel
(Member-at-Large)

Brittany Reagan
(Vice President & Secretary)

Dot Miles
(Member-at-Large)

Lori McDaniel
(Treasurer)

Ken Calabrese
(Member-at-Large)

Ed Lehigh
(Member-at-Large)

ACT Experience:

The January snow and frigid temperatures were quite a problem for many, and several people had to cancel their medical appointments. Michele B. was one of those people. Below is an excerpt from one of her online posts.

"The MRI was scheduled for Monday - and there was no way I could get out with this snow, so it got moved to yesterday. I have not driven my new KIA Soul in the snow or ice and I know the old one is not good in either, so I call Accessible Care Transport. A non-profit started by friends to help folks who need transportation to get where they need to go. So glad I did! They have great, weather worthy cars and Ed is a very careful driver. He took me over to Apple Hill and waited while the MRI was done and brought me home. KUDOS for starting this company - it's much needed! As it turned out, the MRI left me feeling a little off, so good I wasn't driving.

If you need transport, call them! Accessible Care Transport 223-267-2160 or 717-524-6713!"

We are glad we were able to help Michele get to her much needed MRI safely. Thanks for the shout-out on Facebook!

Contact us at least 24 hours in advance to schedule your transport.
