ACT Monthly

August 3, 2026

July Community ACTions

This month has been an exciting and productive one for our organization as we continued to grow our services and strengthen our commitment to the community.

Our biggest milestone was the addition of a second wheelchair-accessible van to our transportation fleet. This important expansion will allow us to double the number of wheelchair clients we can serve.

Excitement is building for our Fall Turning Leaves, Changing Lives Walkathon! If you haven't registered yet, there's still time. Registration has been extended through **August 24, 2026**. Please note that August 24 is the final day to register and be guaranteed an event T-shirt, so don't wait to sign up!

We are also excited to welcome our newest volunteer, Dana E., who has been assisting with marketing and solicitation efforts for our upcoming events. We are grateful for her time, energy, and support. Please join us in giving Dana a warm welcome to the team!

Celebrating One Year!

Accessible Care Transport, Inc. was officially formed and incorporated on January 22, 2025. On July 25, 2025, ACT successfully received its designation from the IRS as a 501(c)(3) nonprofit organization. This designation allows us to accept tax-deductible donations, apply for grants, and strengthen partnerships that help us expand our transportation services and better serve our community.

On August 5, 2025, ACT was finally granted PUC authority to transport individuals and now proudly celebrates one year of serving our community. We are grateful for the support of our passengers, drivers, volunteers, and community partners who have made this milestone possible. Thank you for being part of our journey. We look forward to continuing to provide safe, reliable transportation and serving our community for many years to come!

Thank you to everyone who has supported ACT during this exciting first year as a nonprofit. Your generosity and encouragement continue to make our mission possible!
