December Community ACTions

We're excited to announce that we have a new driver joining our team for 2026, and we've also added another vehicle to our fleet! This expansion allows us to serve more clients and provide more transportation options daily. We are also offering gift certificates which are available for purchase now for holidays, birthdays, anniversaries or just because you love someone. Contact us for more information.

This month we successfully applied for our first major grant through the PA Veterans' Trust Fund. If awarded, the grant money will be used to provide free or reduced fee transports to help veterans get to medical appointments and procedures. ACT would like to partner with local veterans' organizations to spread the word about our services, so if you are a member or know someone who is, please contact us, and we will gladly come speak to your group about how we can help more veterans access the care they need.

Our board held an emergency meeting on December 4th to elect a new board member and fill the secretary position. We are currently seeking two additional board members and a Treasurer. Read more about this in our [ACT Experience](#) below.

During the month of December, we ran our Caught in the ACT Challenge. If you didn't get a chance to participate in this giveaway, don't worry – we plan on running more throughout 2026!
