March Community ACTions

ACT's point of contact is changing! We are launching a new email address — **admin@accessiblecaretransport.org** — effective April 1. This will serve as a central point of contact for institutions, current clients and donors, as well as general inquiries. Please update your contacts so our emails don't end up in your spam folder.

Members of the Accessible Care Transport (ACT) board met with Kevin Smyers and his team at the York County Veterans Affairs Office to discuss ongoing collaboration and service coordination for York County veterans. A key milestone was achieved with the successful completion of ACT's first veteran transport in partnership with the office. This marks an important step in expanding reliable, compassionate non-emergency medical transportation services to veterans in the community.

ACT by the Numbers in March

ACT Experience: Supporting Your Health—Inside and Out

Doesn't Lynn look fabulous?!? She just had her hair done at First Impressions Salon in Hanover and is feeling so good about her new do. Our volunteer driver Ed was happy to help with her wheelchair transport.

Accessible Care Transport (ACT) is more than a ride to a medical appointment—we are a partner in each individual's journey to better health. In addition to ensuring safe, reliable transportation, we are committed to helping clients feel respected, confident, and cared for. By reducing isolation and promoting independence, ACT supports both physical health and emotional well-being.

Although 95% of our transports are to medical facilities, we also help individuals get to beauty salons, grocery stores, family events and other community activities as our schedule and driver availability allow.

Future ACTS

Be on the lookout for us in the community! We are working behind the scenes for upcoming events. If you would like to volunteer to be on our fundraising or marketing committees, please contact us (see contact info above). We are working on our big fundraiser coming this fall, and we need plenty of volunteers to help with the event!
