August Community ACTions

In August we added a new section to our website to help keep the community informed about issues related to non-emergency medical transportation. Check out these articles on our new Blog tab at accessiblecaretransport.org/blog.

This month, Accessible Care Transport launched our **Sponsor-a-Car Program**, giving individuals, families, businesses, and organizations the opportunity to help cover the cost of commercial vehicle insurance. Commercial insurance is our largest operating expense, costing about \$20 a day per vehicle. A monthly donation will provide critical support to keep our vehicles insured, on the road, and available to those who rely on us for essential medical transportation. Sign up for your recurring monthly donation at

<https://givebutter.com/ACT-Sponsor-a-Vehicle>. If you would like to sponsor a vehicle's insurance for the full year, your name and/or business logo will be displayed on the vehicle for a year, advertising your support for our mission as we travel across South Central PA.

♥ A Heartfelt Shout-Out to an Anonymous Donor! ♥

Healthcare workers have the biggest hearts! Recently, as well as in the past, we had one of these amazing individuals provide the funds to cover transportation costs for their patient. Thank you for your generous support and caring in helping someone in need get to their medical appointment. Your kindness is making a meaningful difference and helping to ensure our community members can access the care they need.

We are incredibly grateful for your generosity and support! 🙏
