ACT Monthly

October 6, 2026

September Community ACTions

September was a busy month for Accessible Care Transport. In addition to preparing for our first big in-person event, Turning Leaves, Changing Lives Walkathon on October 3, we also had two other fundraisers. Our Sponsor-A-Car online campaign netted over \$1500 to help pay for our commercial auto insurance. Thank you to the Penn Mar Riders for their extremely generous donation! If you are looking for holiday gifts or just love the fragrances of fall, there are still a few days left to order from The Candleberry Candle Co., with 30% of the online sales proceeds going to ACT if ordered **before October 9th**.

Also in September, ACT had our highest number of transports in a single month! Over 300 trips were scheduled, but due to cancellations, 277 were completed. In one week, we were able to safely complete almost 90 trips with only 4 drivers. This growth means

we are reaching more people who need reliable transportation to medical appointments and care.

Just in time for our surging numbers, we are thankful to welcome our newest part-time volunteer driver, Gary, to the ACT team. We are thrilled to have him on board and look forward to the additional support he will provide as we continue serving our community. Volunteer drivers are a HUGE factor in keeping our costs down for our clients. If you would like to become part of our volunteer team, please fill out the application at accessiblecaretransport.org/donations.

We are grateful for our growing team, our dedicated volunteers, and everyone who continues to support ACT. Together, we are helping remove transportation barriers and getting more people from home to care.

ACT by the Numbers in September

- ★ 27 individual transports
- ★ 10 new clients
- ★ 41 different destinations
- ★ \$2,417.00 in discounts and free transports

ACTers Say

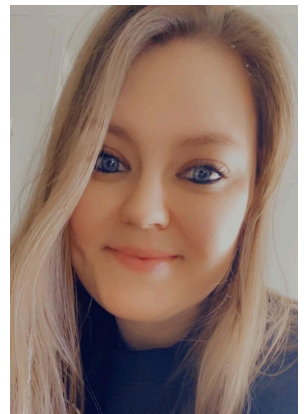

I have used them for many of my medical appointments. I highly recommend them. They are very timely and very kind. Never had any kind of issues. Give them a 5 star rating.

- Pam G

ACTions You Don't See

There is so much that goes on behind the scenes at Accessible Care Transport in order to get individuals to their appointments on time. Brittany is our COO in charge of marketing, logistics, scheduling and keeping everything organized. She is the voice on the phone taking your information for your transport, calling you the morning before your trip to review details and answer any last minute questions you may have. She is the brains for creating all of the social media posts and updating the newsletter every month. At times, she will even pitch in to help do transports when we are short on drivers.

Although Brittany is currently only part-time, she is able to keep our ACT together and running smoothly. Collecting and processing transport details from clients, coordinating schedules, and communicating with drivers can be overwhelming at times, but it is all necessary to ensure our clients get to where they need to go, on time, every day. Brittany is one of a kind, and we appreciate all of her hard work!

Future ACTS

Look for us at the following community events: **New Oxford Harvest Day Parade - October 24**
Amblebrook Veterans Open House - November 5

We've been working behind the scenes on something **BIG and exciting**, and the secret will soon be revealed! Do you have any guesses about what it could be?

Stay tuned to our Facebook page and website for more details and to learn how you can become an event sponsor, volunteer, or join us at one of these events as we come together to raise money for a great cause and help Accessible Care Transport continue removing barriers to medical transportation in our community.

Contact us at least 24 hours in advance to schedule your transport.
