ACT Monthly

July 1, 2026

June Community ACTions

June was an exciting month for Accessible Care Transport, filled with growth, new opportunities, and community support. We attended our first Meet & Greet event at Amblebrook, where we had the opportunity to introduce our mission and services to community members. We were thrilled to have two individuals sign up to volunteer following the event. If you are interested in learning more about volunteering with ACT, we would love to hear from you!

We celebrated a major milestone by receiving our first donated vehicle. We extend our sincere gratitude to Don and Barb Myers for their generous donation, which will help us continue providing affordable transportation to seniors, veterans, and individuals with disabilities throughout our community.

ACT has officially launched registration for our **Turning Leaves, Changing Lives Walkathon**, scheduled for October 3, 2026, at John Rudy Park. This event will help raise funds to keep transportation affordable and accessible for those who depend on our services. We are still looking for volunteers, donors, supporters, and community partners for the event. We look forward to sharing more exciting updates in the months ahead!
